Day Courses

We are running various day courses during the Summer holidays, however if we do not have enough takers, we will be shortening the day from 10-4 to 10-1. So please check with a member of staff when booking onto the course.

New Pony!

Introducing the adorable skewbald pony, Money Penny! AKA: Penny! She is incredibly new to us, young and newly backed. We look forward to seeing her progress in the riding school and already have incredibly high hopes for her.

New Instructor

Introducing a brand-new instructor, Hannah. She grew up at Wyvenhoe, her favourite horses being BlackJack and Melton. Having pursued her career in primary school teaching, she has returned after 10 years to instruct with us, alongside private tutoring and developing her own animal therapy business for children. When she isn't working, Hannah spends every moment with her own cheeky cobs: Hamish and Thunder. We enjoy welcoming Hannah to the team and are excited about the wealth of experience she will bring!
